HSBC Mortgage Corp. (USA) Retail Loan Consultant Incentive Plan Document & Policy Guide for 2005

Introduction

Profitable growth will remain a key success factor of HSBC Mortgage Corp. (USA) in 2005. The HSBC Mortgage Corp. (USA) Retail Loan Consultant Incentive Plan (the "Plan") is designed to reward Retail Loan Consultants for their individual contribution to HSBC Mortgage Corp. (USA) achievements and for attaining and exceeding our defined business goals. Retail Loan Consultants play a key role in the overall sales and growth efforts of HSBC Mortgage Corp. (USA).

These positions significantly influence our company's ability to generate new, profitable sales volume. As such, they are considered "highly leveraged". This means the compensation package is comprised of an unlimited earning potential through this Plan, which rewards and recognizes the level of contribution the Retail Loan Consultants make to our overall success.

Our philosophy is to ensure our compensation system rewards the top performers who demonstrate a continued commitment to achieve and exceed our corporate objectives of profitable growth and customer care, as such, this incentive Plan will have an unlimited earnings opportunity. The greater the performance the more the individual will earn.

The following material describes the Plan and how it works. This Plan is not an employee contract and modifications can be made by HSBC Mortgage Corp. (USA) at any time to adjust for changing business strategy, which may result in changes to the plan's goals or impacts.

Plan Period

The Plan period covered is January 1, 2005 through December 31, 2005. All previous incentive plans for the HSBC Mortgage Corp. (USA) Retail Loan Consultants are superseded and terminated by this Plan.

Eligibility

All HSBC Mortgage Corp. (USA) Retail Loan Consultants are eligible to participate in this incentive plan. A Participant in this Plan will not be eligible to participate in any other incentive plan of HSBC Mortgage Corp. (USA) or any affiliate. Participants agree to and accept all the provisions, terms and conditions of the Plan.

How the Plan Works

Retail Loan Consultants will have the opportunity to participate and earn Incentive Awards under this Plan that has been tailored to support the HSBC Mortgage Corp. (USA) Sales department's business strategy

A bi weekly supplement called a "Draw" represents the recoverable *advance* against Incentive Awards. Incentive Awards under the Plan are reduced by the amount of the Draw. A draw will only be considered non-recoverable during established probation periods.

It may be possible that a Loan Consultant will receive an additional bi weekly supplement called an "Enhanced Draw". An Enhanced Draw represents a *recoverable advance* against Incentive Awards. Incentive Awards under the Plan are reduced by the amount of the Enhanced Draw. Eligibility for an Enhanced Draw is based upon historical performance of Incentive Awards earned and must be approved by the Plan Administrator and the applicable level of management

Retail Loan Consultants have the opportunity to earn unlimited Incentive Awards calculated as *basis points* on *funded dollar volume or units* (minus any applicable Draw/Enhanced Draw). The basis points paid on funded dollar volume are established in tiered increments, which increase based on achieving increased volume levels. The following is the Awards Schedule:

HSBC Mortgage Corp. (USA) Retail Loan Consultant Incentive Plan Document & Policy Guide for 2005

Loan Type	Limit of Loan Volume	Number of Loans	Basis Points	Rate Add-on
ALL	0 - \$750,000	0 - 5	40 bp	.004%
ALL	\$750,001 - \$1,750,000	6 - 10	50 bp	.005%
ALL	\$1,750,001 - \$3,500,000	11 - 15	60 bp	.006%
ALL	\$3,500,001 and above	16 and above	65 bp	.0065%

NOTE: Individual loans greater than \$1,500,000 will receive a maximum credit of \$1,500,000 towards incentive award calculations.

A Participant's Incentive Award under the Plan is calculated as follows:

- A. Equals the Participant's dollar amount / unit count of funded First Mortgage Funded Loan Volume and the dollar amount of capital withdrawn at closing for HELOCS and HELOANS for the month.
- B. Equals the Participant's basis points for the month with respect to First Mortgages Funded Loan Volume and the dollar amount of capital withdrawn at closing for HELOCS and HELOANS as specified by the Participant's Commission Schedule, based on the lowest threshold achieved between volume and number of loans. A \$100 minimum payment on HELOCS will be provided.
- C. Equals 10 additional basis points (.001%) for the month in respect to those loans which have CRA/ALTA/FHA and/or VA products which have funded. Management and the Plan Administrator will determine the specifications used in defining the products above.
- D. Equals 30 basis points (.003%) for the month in respect to those loans resulting from secondary referrals;
- E. Equals 30 basis points (.003%) for the month in respect to those Refinance loans classified as Super Doc or Doc Saver.
- F. Equals \$100 for the month in respect to those HELOC loans which are not drawn upon at closing;
- G. Equals \$50 for the month in respect to the number of Extra Advantage checking accounts opened during the month;
- H. Equals payment for additional cross sells initiatives as set forth by Management.
- I. Equals the Participant's Draw/Enhanced Draw for the month (if any) determined in accordance with standard Bank or HSBC procedure.

HSBC Mortgage Corp. (USA) Retail Loan Consultant Incentive Plan Document & Policy Guide for 2005

Monthly Incentive Awards for Participants shall be equal to the following calculation:

$$(A * B) + C + D + E + F + G + H - I$$

If for any month a Participant does not originate enough loan volume (both first mortgage and home equity) and net contribution to cover his or her Draw/Enhanced Draw, the deficit balance shall be carried forward to subsequent months and Incentive Awards for the subsequent months will be reduced by any remaining deficit, until the full deficit is recovered.

Example A:

Participant's First Mortgage and HELOC/HELOAN Loan Volume = \$740,000

Enhanced Draw = None

$\$740,000 * .004 = \$2,800$ incentive Award

Example B:

First Mortgage and HELOC/HELOAN Loan Volume = \$2,500,000, Unit Count = 17

Enhanced Draw = \$1,000

$(\$2,500,000 * .0065) - \$1,000 = \$15,250$ Incentive Award

Total Cash Compensation

The Retail Loan Consultant Incentive Plan was designed to recognize the employee's contribution to the company's success by linking a significant part of their total cash compensation with individual performance and rewarding them for superior results.

Retail Loan Consultants are eligible to participate in an incentive program that is tailored to and supportive of HSBC Mortgage Corp. (USA) business goals. We believe this program recognizes the importance of the Retail Loan Consultant's role and their potential impacts on HSBC's success.

The compensation program consists of these components

Plan Policies and Terminology/Definitions

Annual Merit Reviews

Although annual performance reviews will be conducted annually, Retail Loan Consultants eligible to participate in the Plan will not be eligible to receive regular annual merit increases.

The Loan Consultant position is considered "highly leveraged." As such, the Plan is designed to recognize and pay high performers substantially better than our competition. HSBC Mortgage Corp. (USA) regularly reviews the market conditions to ensure a competitive compensation package is in place.

As a result of HSBC Mortgage Corp. (USA's) regular review of the total cash compensation package, incentive opportunity adjustments will occur when appropriate.
